South Australia - Employment Pathway

IT Essentials

ICTICT202 Work and communicate effectively in an IT environment
ICTICT302 Install and optimise operating system software
ICTSAS304 Provide basic system administration

Demand for qualified IT staff is always in high demand. MADEC’s Nationally Accredited ‘IT Essentials’ program gives you an insight into the IT industry, delivering skills and knowledge in system administration and operating system software. This course is an opportunity to delve into the IT world and decide if this is a pathway you would like to pursue further.

Fee: $450
