### FIND OUT MORE

Call or visit our offices in five states across Australia.

How about you help bring in the Australian harvest? **We can help find farm jobs that are right for you.**

DELIVERING

Whether growing vegetables, fruits, grains, seeds, nuts or flowers, Australian farms need workers all year round. Picking, packing, pruning, planting, and much more.

For more than 20 years, we have been finding people farm work. We match you with employers that know and understand the value of good staff.

## WHAT'S IN IT FOR YOU?

Short term or career, harvest jobs offer many benefits and often require no previous experience to get started.

- ✓ **Work outdoors**
- ✓ **Flexible working arrangements**
- ✓ **Travel across Australia**
- ✓ **Gain new skills**
- ✓ **Meet new people**
- ✓ **Gain some experience**

*"Whether it was the supply of safety gear or the hours and pay, I have experienced great work conditions at all my harvest jobs. Without exception, my bosses or supervisors have treated me with great respect."*

- Tamara, farm worker, VIC

## WHAT CAN YOU EXPECT FROM US?

We find jobs for anyone who has a legal right to work in Australia – those who live locally or are travelling, students, grey nomads, backpackers, or those looking to get back into the workforce.

*"Calling Harvest Trail Services for a picking job on a farm has ended up seeing me driving a forklift in a town close to home, doing good hours, earning good money. It makes a big difference to my life and wellbeing."*

- Dennis, blueberry picker and forklift driver, NSW

We provide:

- ✓ **information on the types of work available and what you can expect on the job**
- ✓ **a MADEC card to evidence your legal right to work in Australia**
- ✓ **health and safety inductions so you know how to work safely**
- ✓ **travel and accommodation ideas if you're new to the region**
- ✓ **regular check-ins to see all is well. If you're not happy, we want to know.**

Then if you're keen to stick with farm work, we can find options for your next job.

Our local knowhow, national networks, and industry expertise is paid for by the Australian Government at no cost to you.
